

BOXING

Boxing is a full body workout that packs a punch. Focusing on technique and specific drills, boxing will improve your cardiovascular fitness, power, agility and coordination.

STADIUM STRENGTH

Stadium Strength is a functional high intensity class that primarily uses the grandstand, bodyweight and functional equipment. This class develops strength, power, endurance, mobility and fat loss.

PILATES

Bluewater's matwork class focuses on developing a strong core with specific bodyweight exercises. Benefits of pilates includes improved posture, greater flexibility, improved circulation, endurance and reduced stress.

YOGA

Yoga Restorative is a nice gentle class focusing on the deep tissues, ligaments, joints and deep fascia networks.

Yoga Flow is an energetic and dynamic yoga class that will strengthen and stretch the body and mind. No yoga experience necessary, but a moderate level of fitness is recommended.

METAFIT

MetaFit is a 30-minute high intensity workout using your bodyweight only. MetaFit is becoming extremely popular worldwide due to the significant results participants are receiving.

HIIT

High Intensity Interval Training has been proven to get results, fast. This class is great to burn energy in a short amount of time. HIIT is powerful and explosive exercises completed in short intervals. This class is a full body workout and can be modified to suit all fitness levels.

CORE

Core classes target abdominals, obliques, glutes, hamstrings and the lower back. This class is aimed at giving you a rock solid and stable mid-section. Core can be instructed in different ways, ranging from an intense workout to a slower controlled session.

SPIN

Maintain a fast cadence then progress into an intense hill climb while listening to motivating music on our fully adjustable body bikes. Only high-intensity cycling classes build endurance, strengthen the core and tone your muscles.

ACTIVE AGEING PROGRAM

Active Ageing is a rehabilitation, strength-maintenance and socialisation program for older adults. It focuses on keeping your body active and mobile whilst improving balance, strength, posture, coordination and flexibility. Exercises are easily modified to your goals and needs by using a variety of equipment. It is a fun and social environment that will make you feel revitalised.

LUNGS IN ACTION

Lungs in Action is Lung Foundation Australia's community based maintenance exercise program for people with stable chronic lung conditions who have completed a pulmonary rehabilitation program at Colac Area Health.
